## WHY?

BECAUSE WE DO THE BUSINESS

Because

Is no reason for anything.

Because

Is a woman's way of explaining things.

Because

Believe to our liking or DISBELIEVE we keep the largest stock of Clothing for  
Men and Boys to be found under one roof.

Because

We have bought Holiday goods especially for the coming gift giving time.

Because

Our stock was selected with care and are in single quality and price.

Because

It includes pretty, durable and always up-to-date presents. The most sensible things to  
give away such as Ping-Pong, Checkers, Draughts, Glass, Fancy Vases, Umbrellas, Vases,  
Bull Cases, Dishes and other articles.

**BECAUSE! BECAUSE! BECAUSE!**

Now this stock has not been laid away in 1899. Many articles have been  
conserved in the best condition, dried from the last season. Many articles however have  
broken, damaged and ruined what they wanted to sell. It is a pleasure to customers  
however the most complete and elaborate article to design and quality. And of itself to  
select from all the stock reasonably priced. Young men are up right and sure for the  
New Year.

A. O. FARQUHARSON, and CLERKS.
